BASIC INSTITUTE FOR ZONAL AFRICAN ADVANCEMENT

Moving African children from the streets to classrooms

@bizaaorg

bizaa.org

Founded in 2010, BIZAA (**Basic Institute for Zonal African Advancement**) is an international, non-profit organization dedicated to the empowerment of the youngest citizens of Africa. Our grassroots initiatives of providing educational sponsorships are eliminating childhood labor and trafficking one child at a time.

Our Mission

To provide education, technical training and job placement to African children in order to end childhood trafficking once and for all.

Our Vision

- Form a strong and impactful coalition of religious organizations, schools and corporations.
- Initiate viable strategies to get underprivileged and vulnerable children off the streets and out of factories and farms, and return them home to their families.
- Enroll children in existing education institutions with demonstrated records of success.
- Create a vocational school opportunity for secondary students to continue their education.

Knowledge is Power, but Education is Empowerment

History has taught us that the future and safety of our world is grounded in the education of its youngest citizens.

Join us in our mission to end child exploitation and trafficking by providing education, technical training and job placement. We have rescued hundreds of children in Nigeria and set them on a path for success, but we still have many more who are eagerly awaiting this opportunity. **For less than \$60 per month you can change a child's life forever!**

Make an Impact

We have so many opportunities for you to make a difference by sharing your time, talent or treasure!

- Become a BIZAA volunteer
- Sponsor the education of a rescued child
- Donate to our vocational school or general fund
- Join us on a mission trip
- Attend our annual Founder's Gala
- Have your school, company or organization partner with the BIZAA coalition
- Become a BIZAA prayer partner
